# MasterType's™ Filer

**MasterType's Filer** lists, collections, address books. Kids and adults find hundreds of uses for it.

The data disk has many forms ready for use around the home... or design your own files as easy as A-B-C.

Simple menu and screen prompts with helpful use of color and sound. Manual contains many other applications for MasterType's Filer.

Children will love MasterType's Filer for:

- Cataloguing collections and activities.
- Maintaining mailing lists of pen pals and club members.
- Managing paper routes and small businesses.
- Preparing for exams with the Quiz-Master™ mode that creates memory games and quizzes on any subject. (Several are included.)

Everybody will use MasterType's Filer for:

- Recording and organizing expenses and tax records.
- Maintaining address lists, household inventories, medical, insurance and auto records... and many other applications.
- Reviewing or printing information alphabetically or numerically.

MasterType's Filer is a productivity tool for the whole family.

*"An excellent file manager akin to PFS File but with added features you might not expect in a package costing much less. A proprietary operating system makes for fast operation."*
*—InfoWorld (6/4/84)*

Look for these classics in the Scarborough family.
